Atlantis Aquaventure & Lost chamber combo tour

Tour Overview

Take a tour to Aqua venture Waterpark & Lost Chamber Aquarium for an action-packed day out amid adventurous rides, exhilarating slides and Master Blast water coasters that propel you up and down on streams of water, prior to rolling you down along tunnels and finally freeing you into the river. Occupying an area of about 42 acres of land on Palm Jumeirah – one of the key man-made attractions in Dubai, Aqua venture is the Middle East's largest waterpark that offers ultimate in family fun and entertainment. Topping the list of its attractions is perhaps the Ziggurat – the 27.5 meters Leap of Faith body slide (approximately nine storeys high) that takes you through a flawless acrylic tube bounded by sharks and rays. Adjoining the Ziggurat is the Rapids, about two kilometers long adventure ride that serves as a sophisticated park transport system to enable you to drift along or return to the waterslides. As well as, the park offers a thrilling segment to allow you to indulge in a slew of marine adventure activities, such as shark safari, shark snorkeling, ray feeding and diving. Another of the park's highlights is Splashers – an exclusive kids' zone with a comprehensive range of water games, slides and climbing structures. Enclosed by lush tropical landscape, the park also comprises a 700 meters private beach, along with facilities to enjoy a slew of water sport activities, such as sailing, windsurfing and sea kayaking. Atlantis Lost Chamber ,Its key attraction is a maze of passages that is considered to be the remains of the Lost City of Atlantis. Mysteriously, this lost chamber – revealed during the construction of the resort – is thought to have been hidden under the waters of the Arabian Gulf for thousands of years. Equally noteworthy is its more than 65,000 exotic marine creatures that are housed within its 20 aquariums strategically placed along the fantastic labyrinth of sub aquatic halls and fish tanks of the Lost Chamber
