**Dubai Dolphinarium Show**

## **Tour Overview**

Dubai Dolphinarium provides you with the best family entertainment in Dubai. The Dolphins and Seals Live Show is one of the main attractions at our Dubai Dolphinarium. This event is full of extraordinary information about marine mammals, their life and we encourage the visitors to help us to ensure the future protection of our marine ambassadors - the seals and dolphins. Highly interactive and talented Bottlenose Dolphins - Senya, Sousha and Marfa - are performing amazing displays and sequences based on their natural behaviors. Born with a permanent smile, playful and gracious bottlenose dolphins are an unforgettable visual and emotional experience for people of different ages.

The Dolphins are so very much accustomed to large crowds that they seem to perform better when there is a full house. They are very fast and accurate swimmers. Their navigation measurements are in millimeters while our measurements are in decameters. Their world is so precise because their ability to survive is just a matter of seconds either for food or their own protection.
