- Get front-row seats for stunning views of Dubai's cityscape
- Enjoy breathtaking panoramas that cannot be seen from the road
- A great way to get out on the water and enjoy the incredible architecture of Dubai
- Fantastic photo opportunities – make sure you bring the camera!

The **Palm Jumeirah and Burj Al Arab Boat Tour** gives you breath-taking views of Dubai's amazing skyline from the water. To join the tour, make your way to Dubai Marina Walk to board your craft. This trip takes place in a high-power speed boat but for this sightseeing tour your speed will not exceed 26 knots! As you cruise northward from the Marina with the wind in your hair, spectacular views of Dubai's coastline will appear along the horizon and your skipper will point out the main highlights. You will see the amazing **Palm Jumeirah**, an artificially created island in the shape of a palm tree. The island is designed for developments of unprecedented luxury including villas, resorts, hotels and fabulous shopping malls. One of the earliest buildings to be completed was the fantastic **Atlantis Resort**, situated at the 'top of the palm tree' and overlooking the Arabian Gulf. The boat will stop for 5 minutes in front of the Atlantis for a photo

opportunity and commentary. Further up the coast you will see the **Madinat Jumeirah**, a splendid Arabian-themed resort, and the iconic Burj Al Arab hotel. Designed to resemble the sails of an Arabian dhow, Burj Al Arab soars to a height of 321 meters and dominates Dubai's coastline. There will be another 5 minute photo stop at Burj Arab so that you can admire this incredible piece of architecture. Your boat returns to Dubai Marina at the end of the 75-minute cruise, and you should make your own arrangements for getting to your next destination.

## **Palm Island Tour**

Palm Islands in Jumeirah, Jebel Au and Deira are the largest man-made islands in the world - featuring kilometres of pristine beaches, luxury hotels and sports facilities - they are set to become one of the most exclusive residential locations in the world. Built on the coastline of Dubai by Al Nakheel Properties, the unique feature of engineering and imagination, visible from space, the developments have been dubbed 'The Eighth Wonder of the World'. The Palm is the ideal location to experience an exciting array of marine life. In keeping with the diverse offerings, divers have a choice of themed sites. Whether your ideal activities take place on the land or in the sea, The Palm delivers an experience unlike any other on earth.

## **The Palm Jumeirah**

The ultimate in escape and relaxation, The Palm Jumeirah is the perfect place to leave the world behind. For the ultimate shopping and dining destination, look no further than "The Golden Mile". Located on the trunk of The Palm, The Golden Mile spans 60,000 square meters and contains 800 luxury apartments, 220 boutique shops and restaurants, all overlooking the blue waters of the Gulf. Delivering on the promise of becoming the ultimate entertainment destination, The Palm Jumeirah is pleased to feature Atlantis on the expansive beaches of the crescent, offering visitors all the unique amenities and entertainment the resort is world-famous for. For visitors and residents whose idea of escape is swimming with marine life, The Dive Experience at The Palm Jumeirah is a man-made water park that offers the ultimate in underwater adventure for both beginners and advanced divers and snorkelers.

## **The Palm Jebel Ali**

A destination like no other, with world-class golf, luxury desert resorts and a graceful bridge connecting to the mainland. An exhilarating experience for visitors and residents of all ages, The Palm Jebel Ali features an aquatic theme park with a sea village and an amusement park. For the lucky few who will make their home on this unprecedented location, among the distinctive residences to choose from, are water homes that spell out a poem written by His Highness Sheikh Mohammed Bin Rashid Al Maktoum.

## **The Palm Deira**

The Palm Deira is the largest and the last of Dubai's inspiring palm-shaped islands. Upon completion, this ambitious project will house 8,000 villas along with a number of premier amenities, making it one of the world's most coveted residential properties.

Approximately 30 minutes drive from Dubai International Airport; The Palm Deira is also 6 kilometres from The World project and is designed to add an extra 400 kilometres of shoreline to Dubai. The Palm Deira is the final chapter for an extraordinary legend in the making.
