

Tour Code :- 9 UAE **Air Ballooning**

Tour Overview

There is no better way to view the amazing desert landscape and the awesome desert dawn than from the vantage point of a gently floating hot air balloon!

Enjoy a unique perspective of Dubai that will forever remain etched in your memory. Glide gently over giant sand dunes, wandering camels, an oasis and rugged mountains, while you marvel at breathtaking views of the sunrise and its magical effect on the desert vistas.

Ballooning is suitable for most people, making it possible for families with children over the age of five to have an adventure together, within a safe environment. Taking off at sunrise allows you to enjoy the beginning of your day in an original and memorable way, and still be able to fit in the rest of your busy itinerary.

Whether you are a visitor or local of Dubai, you'll gain new appreciation of the desert and its unique landscape. They say a picture paints a thousands words, and with the picturesque views from above, this hot air balloon tour may leave you surprisingly lacking words to describe the experience.

USEFUL INFORMATIONS

- 1) The best time to fly balloons is in the cool dawn air when the winds are light. It is also the most beautiful time of day in the desert.
- 2) Dress code :-It is warm in the balloon and the desert so you should dress as if you were going for a walk outside in the city. You should wear trainers or similar, and not high heels. Bring a hat or cap and sunglasses.
- 3) Take the camera! There are always amazing photo opportunities.
- 4) You'll fly over the desert for approximately one hour. You should allow up to five hours from start to finish.
- 5) Many people who are afraid of heights come on these balloon flights. The feeling of flying in a balloon is very gentle and different from looking off a high bridge or building, or climbing a ladder. You should have no problem, however if you are really concerned please advise your pilot and he will take special care of you.
- 6) Age limit:-The minimum age is five.
- 7) Ballooning is a soft 'adventure' so it does not require a high level of fitness. You should be able to stand unaided and climb into the basket. If you have a serious medical condition or perhaps have recently had a hip replacement, you should check with your doctor for your own peace of mind.
- 8) Is it safe?:-Statistically ballooning is the safest form of flying. Certainly much safer than driving in a motor car! The balloons are inspected and certified in the same way as

Parmar Tourism

an airliner and undergo various inspections every four months, every year and every 100 hours. This is required by law.

9)Who are the pilots?:-All pilots are internationally qualified commercial pilots and amongst the most experienced in the world. All are full time professionals.

10)Do you have insurance?:-Yes. Public liability is a requirement to qualify for and hold an Air Operators Certificate in the U.A.E.
